

Hello Parents and Skaters!

As the new president of the Uxbridge Skating Club, I wanted to take this opportunity to introduce myself. My name is Amy Groff and this will be my third year on the USC Board of Directors. I have one daughter in our Intermediate STARSkate program who also volunteers as a program assistant in our CanSkate program. I also have another daughter in CanSkate. You can catch me at the rink 4 days of the week, usually chasing after my youngest! We have been skating with the USC for almost 6 years and are looking forward to the upcoming 2020/2021 season!

The board is currently working with the recreation center to prepare for the upcoming season. We have not received the go ahead yet but are eagerly awaiting the green light. At that time registration will open up online. Please keep checking your email for updates on when registration will open.

**SPACES WILL BE LIMITED.**

You can also check our website for updates at <https://www.uxbridgeskatingclub.com/>

As I am sure you are aware this season will look a little different. We will be following Skate Ontario's guidelines for Return to Play Protocol and also the guidelines of the facility. You can check out <https://skateontario.org/return-to-play/> for Skate Ontario's Return to Play Protocol.

The following link is for a short survey; please take a moment to answer 6 questions. It will help us anticipate numbers and better plan for the season. <https://www.surveymonkey.com/r/FVQ7KBD>

Please feel free to come up and introduce yourself if you see me at the rink. I am hopeful that despite Covid-19 we will still have an amazing and fun year!

Do not hesitate to contact the club with any question or concerns.

Thank you for your support and patience as we work to make a safe return.

Amy Groff

Uxbridge Skating Club President
